

The following describes the terms that apply to participation in the SoFi Money Netflix promotional program ("Program") offered by SoFi Securities LLC ("SoFi"). This Program is provided solely by SoFi, and is not affiliated with any third party.

SoFi Money members are required to opt-in to the Program by adding their SoFi Money debit card number to a Netflix account and use it to pay for monthly subscriptions. You may register your SoFi Money debit card with multiple Netflix accounts. Enrollment period: from 2/13/20 12PM ET to 2/20/20 12PM ET. Promotion Period ("Promotion Period"): 90 days from the date that the user has enrolled in the Program. Only monthly subscription payments posted during the promotion period are eligible for the Cash Back promotion.

20% cash back ("Cash Back") is calculated using the monthly subscription charged to SoFi Money debit card. Promotion does not apply to other charges. Cash Back rounded up to the nearest cent. The maximum monthly subscription payment eligible for Program is \$20 per month per user. During the Promotion Period, SoFi will credit the Cash Back reimbursement into the participant's SoFi Money account. Cash Back reimbursements can be delayed by up to 14 business days.

SoFi is not liable for payment delays caused by Netflix or 3rd party vendors. SoFi reserves the right to exclude customers from participating in the Program for any reason, and to stop or make changes to the Program at any time. The total number of enrolled members under this Program is limited to the first 500 users who enroll.
