The Grad School Finance Toolkit

A helpful series built for higher education professionals.

What's in this toolkit:

Ready-to-use, education-first materials to help higher education professionals understand federal lending changes and support grad students navigating private loan options.

Helping you help them.

For grad students, slogging through the OBBBA and Grad PLUS updates can be tough enough. This is where you come in. **Share these three resources** to help them master credit basics and build strong financial habits for life.

1

Get credit ready

Good credit could open doors to important financial milestones, so set yourself up for a lifetime of success by mastering credit essentials.

Read the one-pager

2

Good credit starts here

Learn all about credit scores, the credit bureaus, and how to build some healthy credit habits.

Download the bi-fold

3

How credit works and how to make it work for you

Consistency beats perfection when it comes to building credit over time.
